

New Lightbar Hook Kit for Ford Interceptor Utility

Federal Signal announces a new lightbar hook kit for mounting 44/45/46 inch lightbars to the Ford Police Interceptor Utility. The new kit offers improved appearance for a more low-profile mount.

- The new **HKB-FPIU13-44** is recommended for mounting 44/45/46 inch lightbars to the 2016 and older Ford Police Interceptor Utility
- The **HKB-FPIU13B** is recommended for mounting 51/53 inch lightbars to the 2016 and older Ford Police Interceptor Utility

Models for the Ford Police Interceptor Utility are listed below:

Model #	Description	2015 List Price US\$
HKB-FPIU13-44	Lightbar hook mount kit, 44/45/46 inch lightbars	\$57.00
